The brand new Faculty Academy for the Scholarship of Education (FASE) is delighted to present a series of lunchtime seminars with the aim of disseminating good practice in education across the Faculty.

Service-Learning across the Disciplines: An Engineering Perspective
Faculty Academy for the Scholarship of Education (FASE)

Tuesday 22nd June 2010
12.00pm – 1.30pm
Room G.11, Engineering Civil and Mechanical Building
This seminar will examine how the Faculty of Engineering, Computing and Mathematics is exploring service-learning as a strategy for preparing engineers to cope with the complexities of the modern world.

Members of the panel will share their perspectives on the challenges and rewards of a service-learning based approach.
