Networking
UWA’s engineering cohort has access to an exciting and vibrant student social scene! Not only are there plenty of opportunities to meet new people at fun social events, you can develop valuable career networks. Get involved!

Key engineering facilities
Clough Engineering Student Centre
A brand new space that provides a social anchor on campus for our diverse engineering cohort. Additionally it’s a great place for team-based learning and private study. See map reference 14.

Monadelphous Integrated Learning Centre
A modern space that combines teaching and practical training in a simulated professional working environment. See map reference 12.
