*This unit is offered in a non-standard teaching period – check the online unit description and timetable website for more information.

Select four units from the following options:
- **GENG5504** Petroleum Engineering (Sem-2)
- **GENG5505** Project Management and Engineering Practice (Sem 1 or Sem 2)
- **GENG5507** Risk, Reliability and Safety (Sem 1 or Sem 2)
- **OEG5810** The Hydrocarbon Economy (Sem 1)
- **OEG5801** Introduction to Oil and Gas Engineering (Sem 1)
- **OEG5803** Reservoir Engineering (Sem 1)
- **CIVL5505** Introduction to Design of Offshore Systems (Sem 2)
- **GENG5803** Investment Management for Field Development (Sem 2)

It has been determined, based on your previous studies, that you will be awarded 48 points advanced standing towards the Master of Engineering in Oil and Gas (MEOG).

If you need to discuss your study plan further, please contact the ECM Student Office at enquiries-ecm@uwa.edu.au.

Information in this study guide is correct as at 7 May 2015, but is subject to change from time to time. In particular, the University reserves the right to change the unit availability and unit rules. Information about unit availability should be checked at the beginning of each semester and can be found at Timetables: http://www.timetable.uwa.edu.au/, Handbooks: http://handbooks.uwa.edu.au/ or Study Guides: http://www.ecm.uwa.edu.au/students/study-guides. The Rules for the MEOG are available at http://handbooks.uwa.edu.au/rules?code=62520.
